## dedication

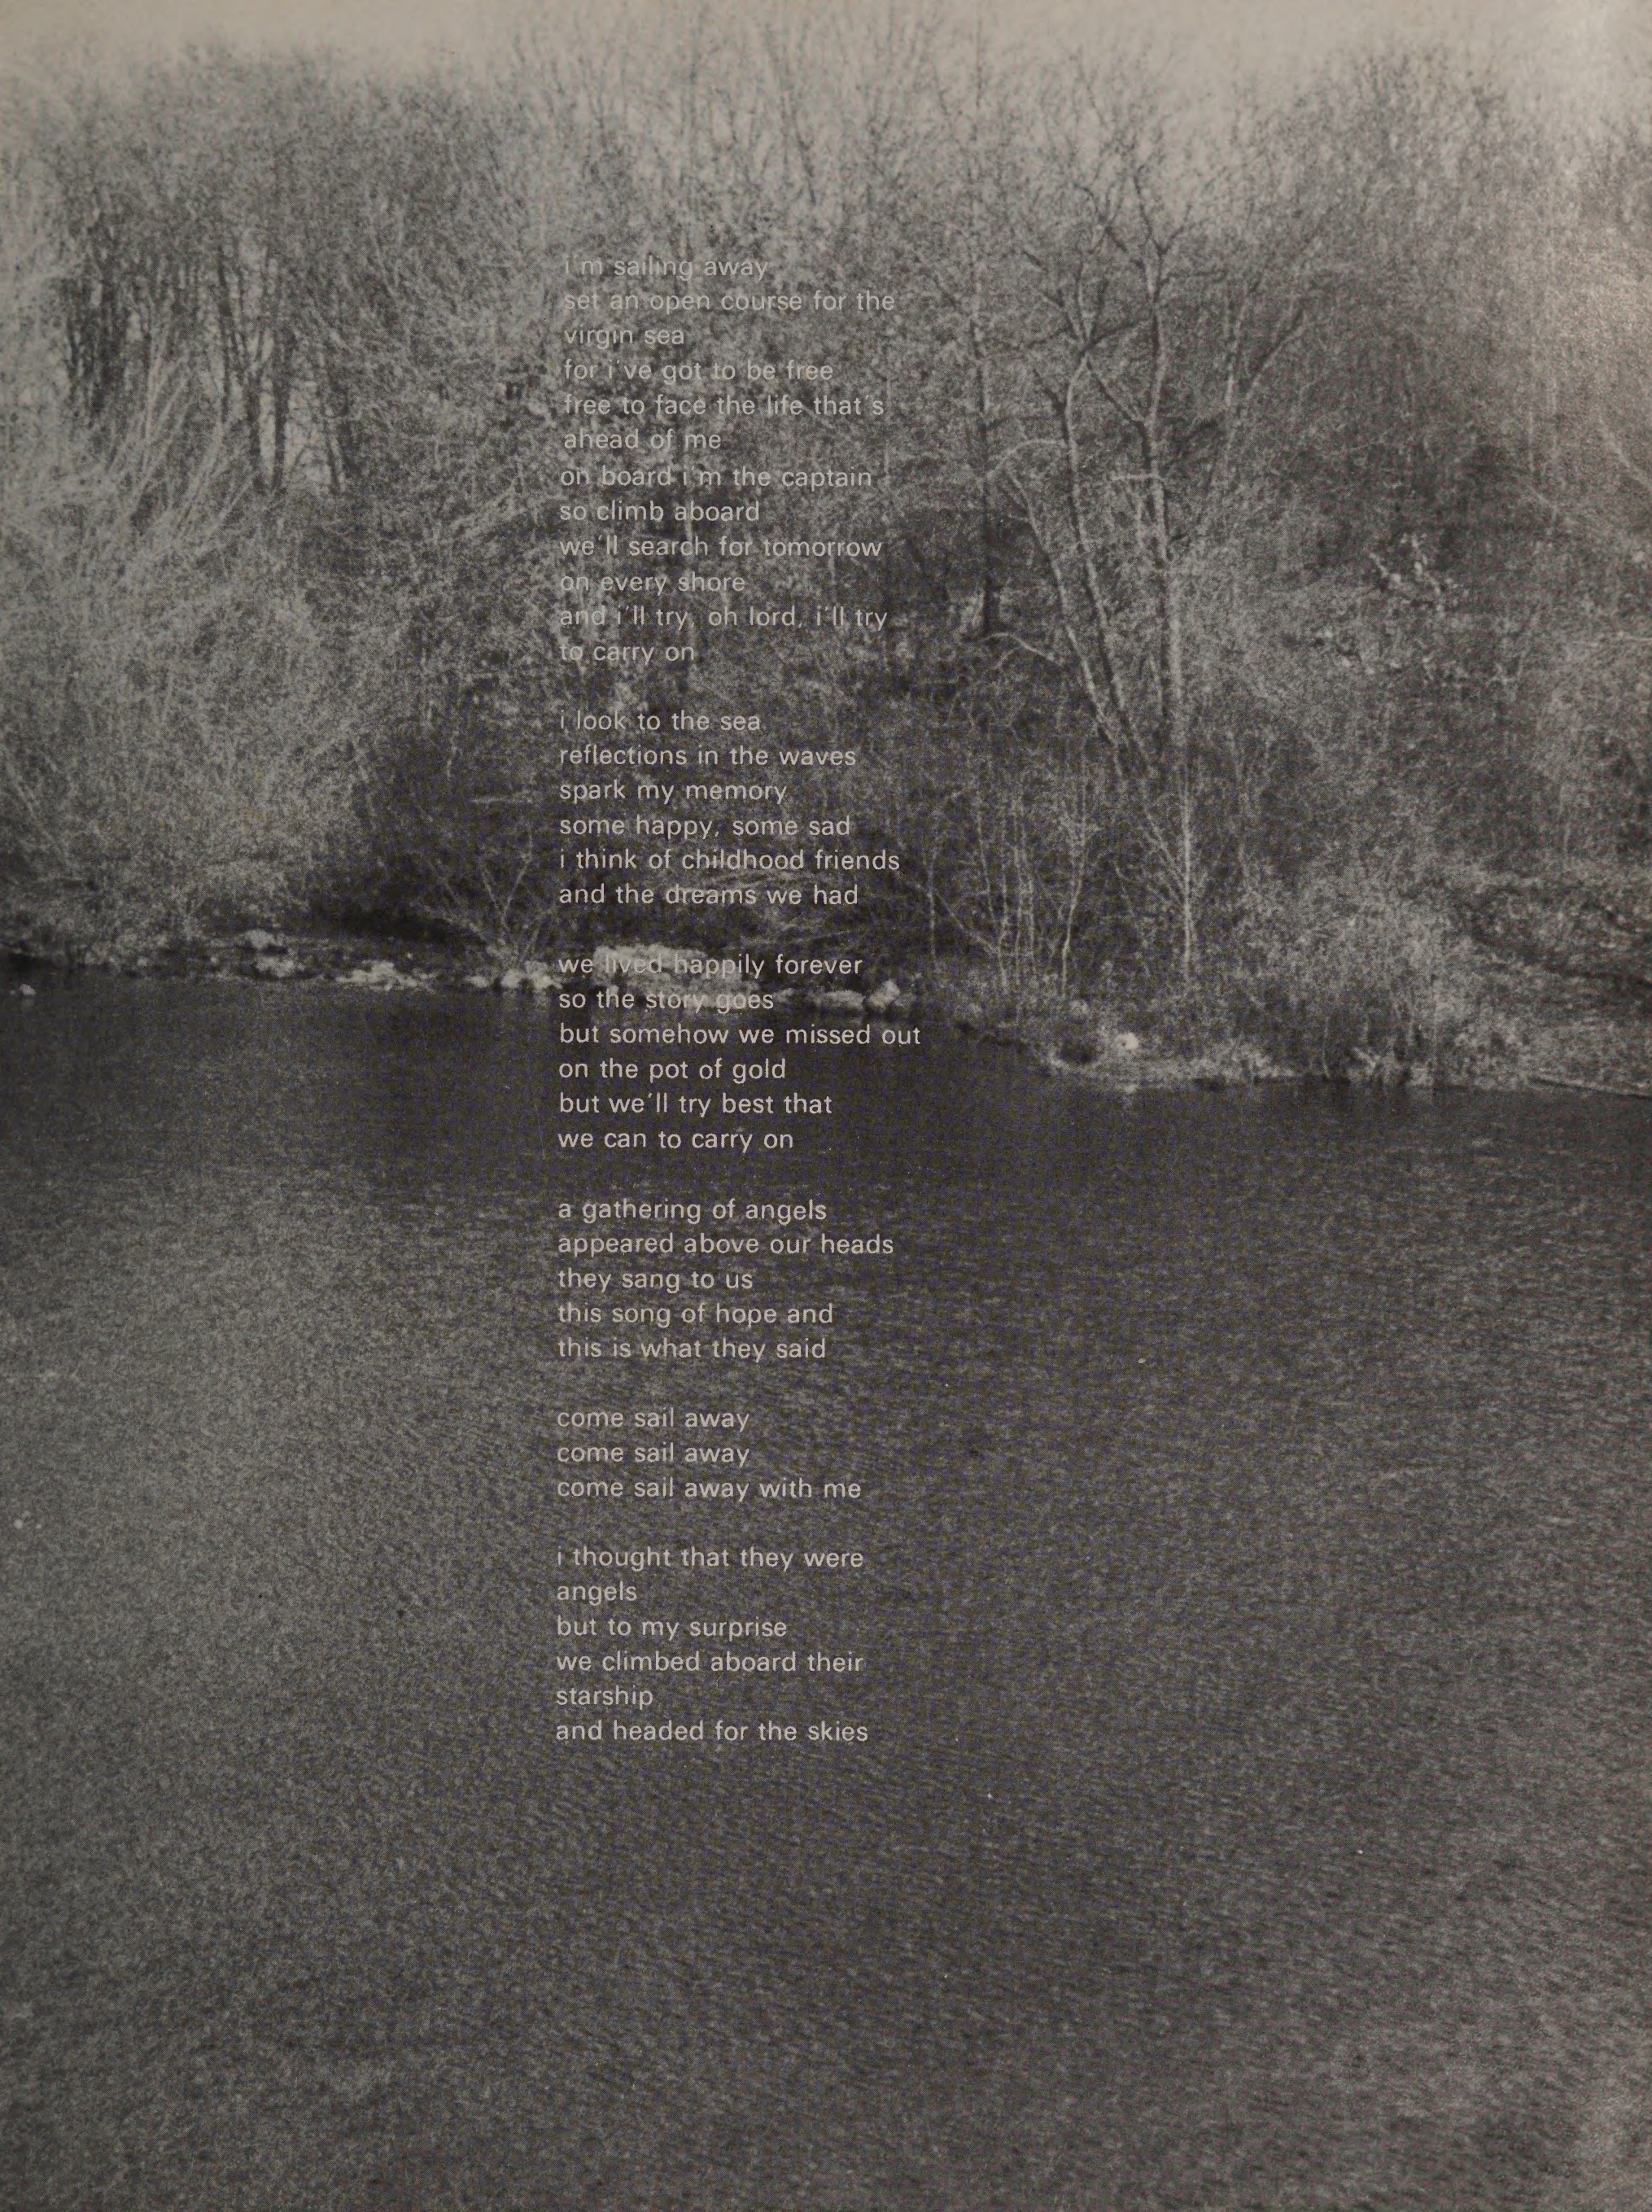

"The best way to know life is to love many things."  
— Vincent van Gogh

The graduating class of 1979  
dedicates this edition of "The Chief"  
to Ms. Marcia Knight — Connolly.

i'm sailing away  
set an open course for the  
virgin sea  
for i've got to be free  
free to face the life that's  
ahead of me  
on board i'm the captain  
so climb aboard  
we'll search for tomorrow  
on every shore  
and i'll try, oh lord, i'll try  
to carry on

i look to the sea  
reflections in the waves  
spark my memory  
some happy, some sad  
i think of childhood friends  
and the dreams we had

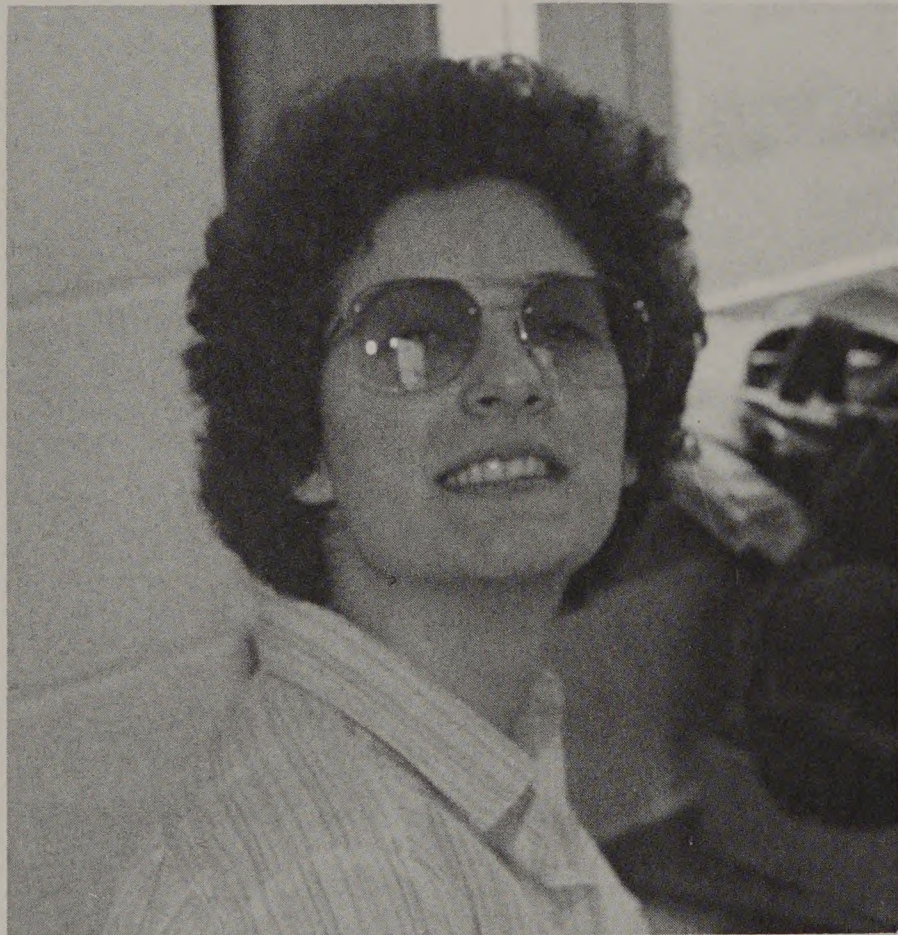

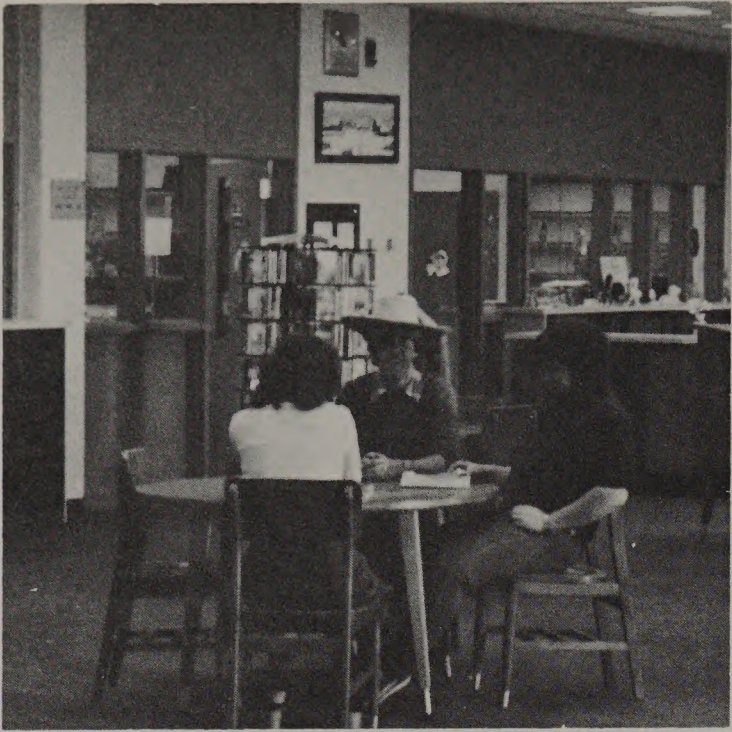

we lived happily forever  
so the story goes  
but somehow we missed out  
on the pot of gold  
but we'll try best that  
we can to carry on

a gathering of angels  
appeared above our heads  
they sang to us  
this song of hope and  
this is what they said

come sail away  
come sail away  
come sail away with me

i thought that they were  
angels  
but to my surprise  
we climbed aboard their  
starship  
and headed for the skies

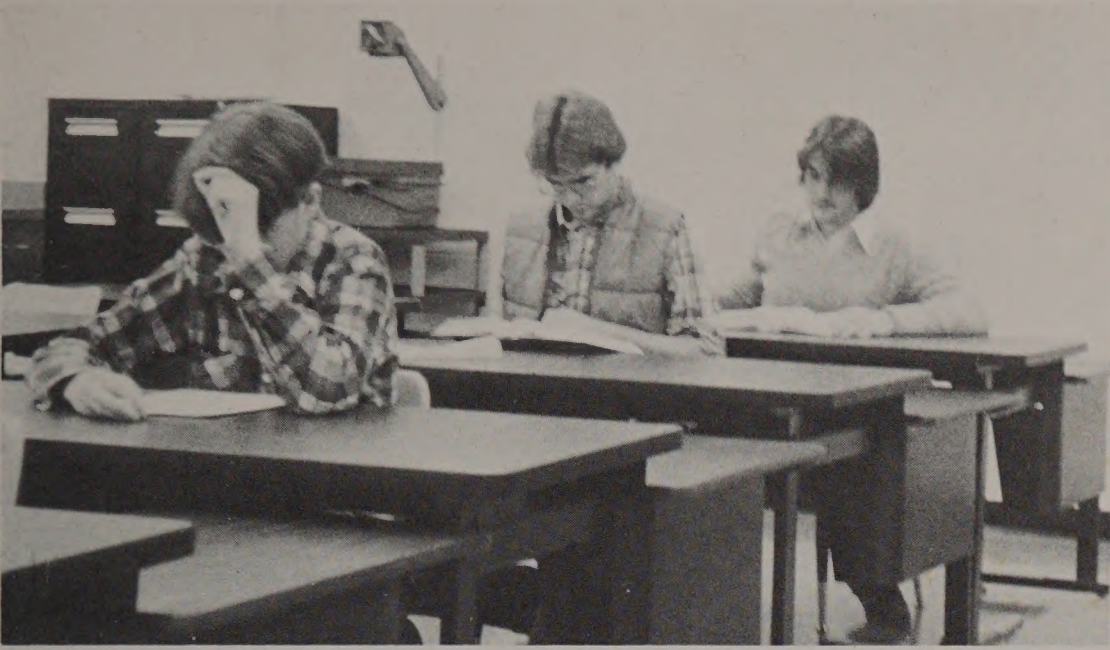

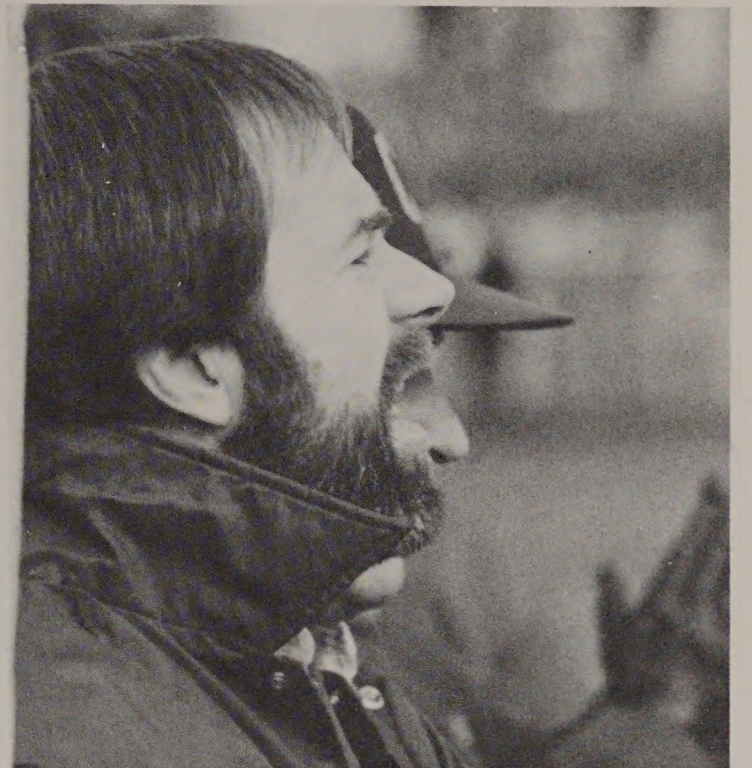

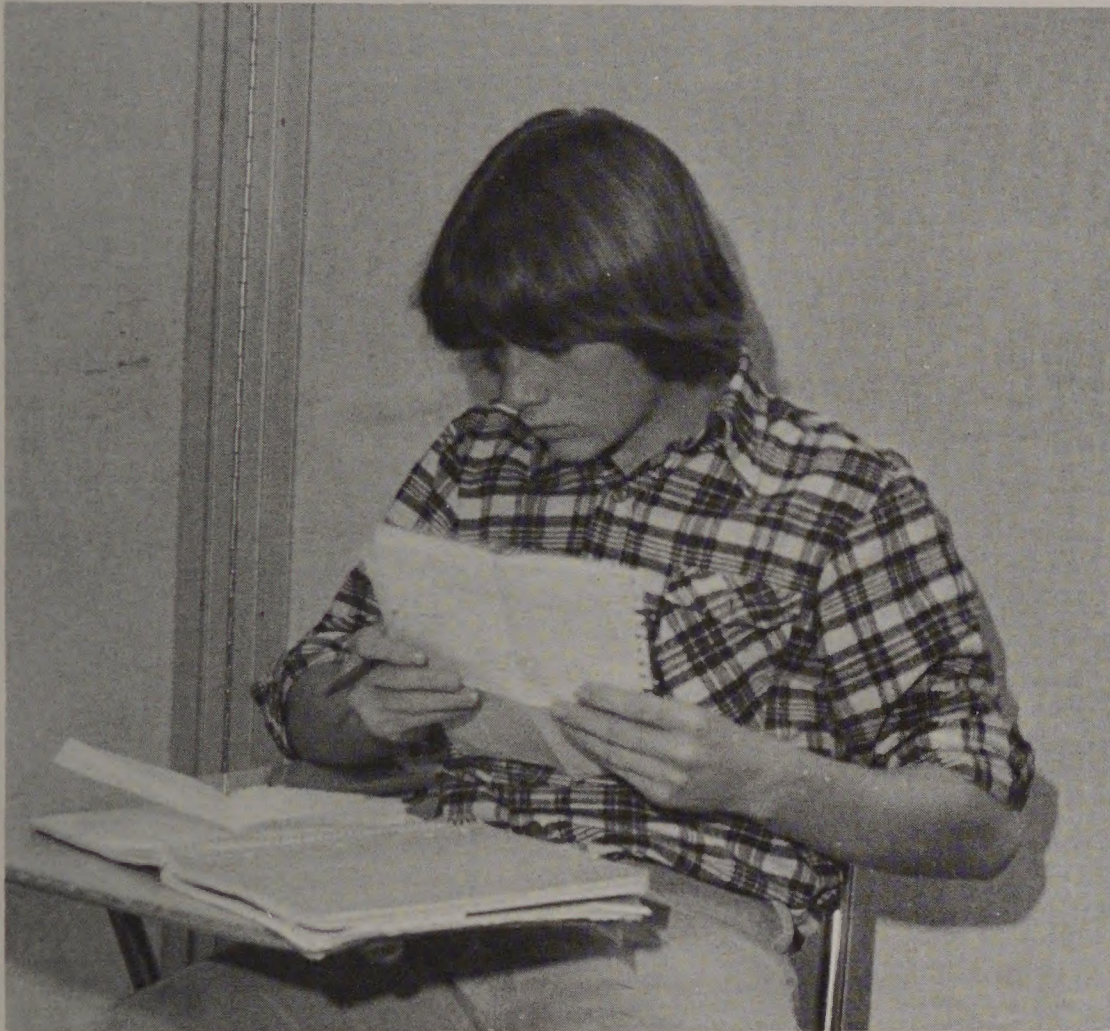

"Say it again, I dare you!!"

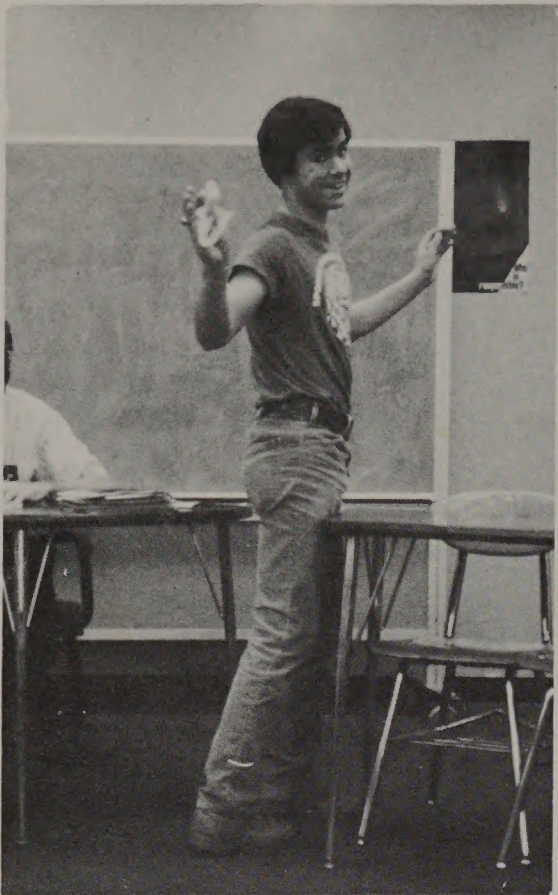

"Anyone seen my bananas?"

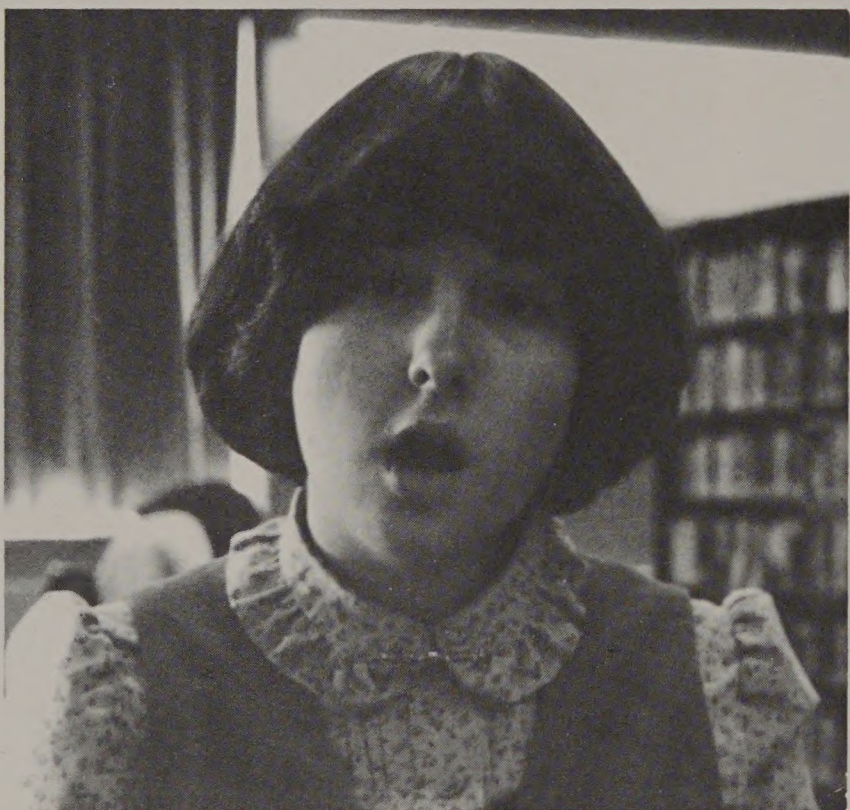

"English class is SO boring!!"

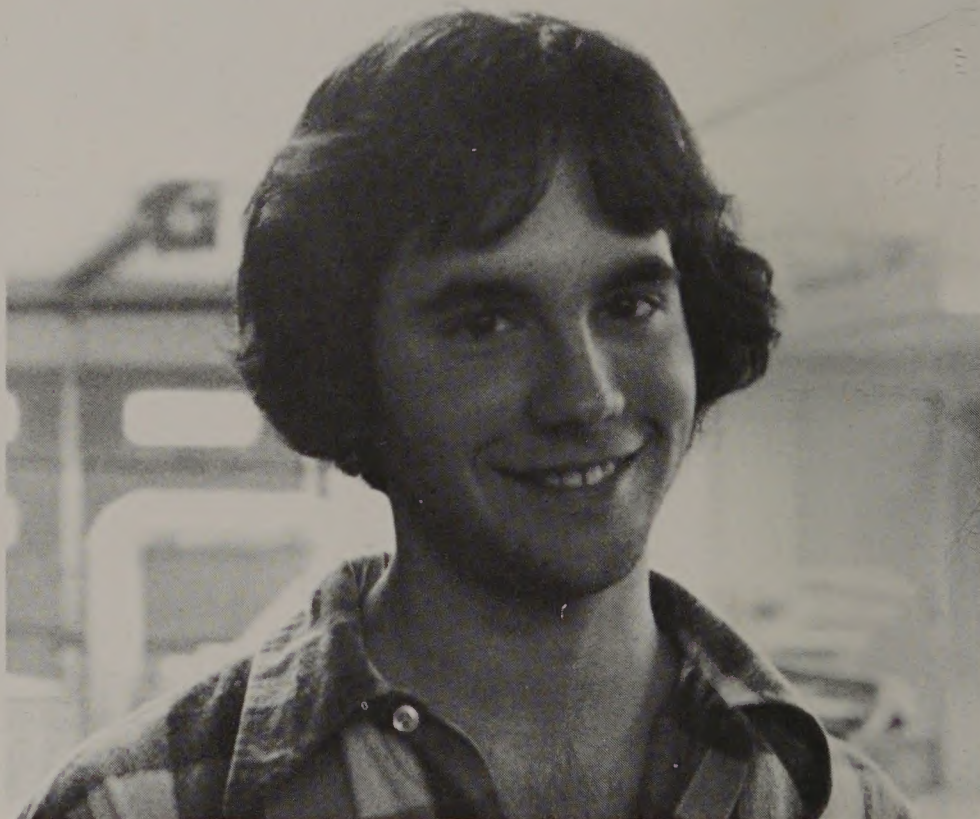

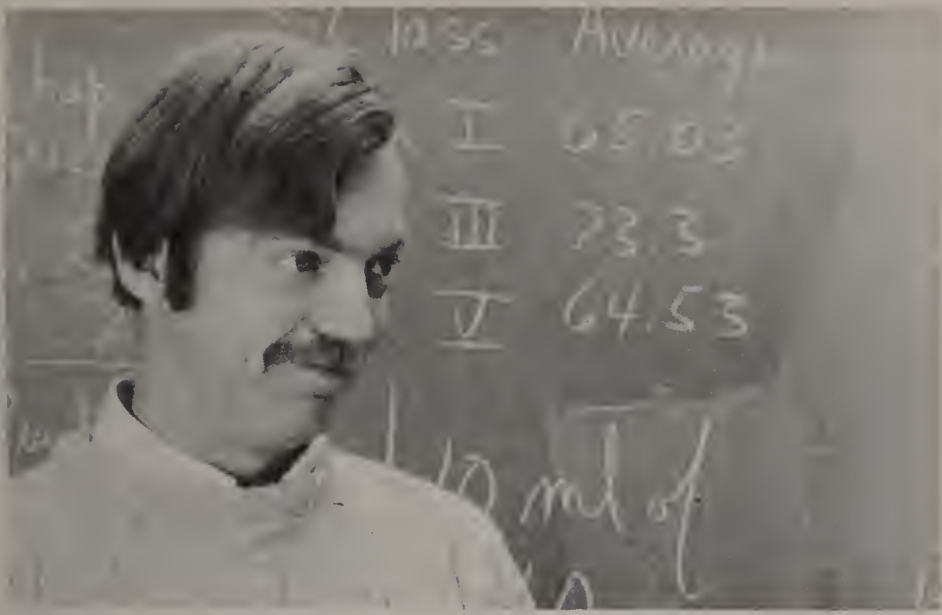

I make the rules because it's my ball!!!!

"SCHLERNITZAUER" — THAT'S S-C-H . . . Uhh . . . Uhh, Uhh  
 . . . SCHLFGHREJHF . . . JONES!!!!!!

How do ya like them averages?

Oh! I never knew athletics could be so STIMULATING!!!

Another Monday morning.

I didn't do it, he did!

Thank God it's Friday.

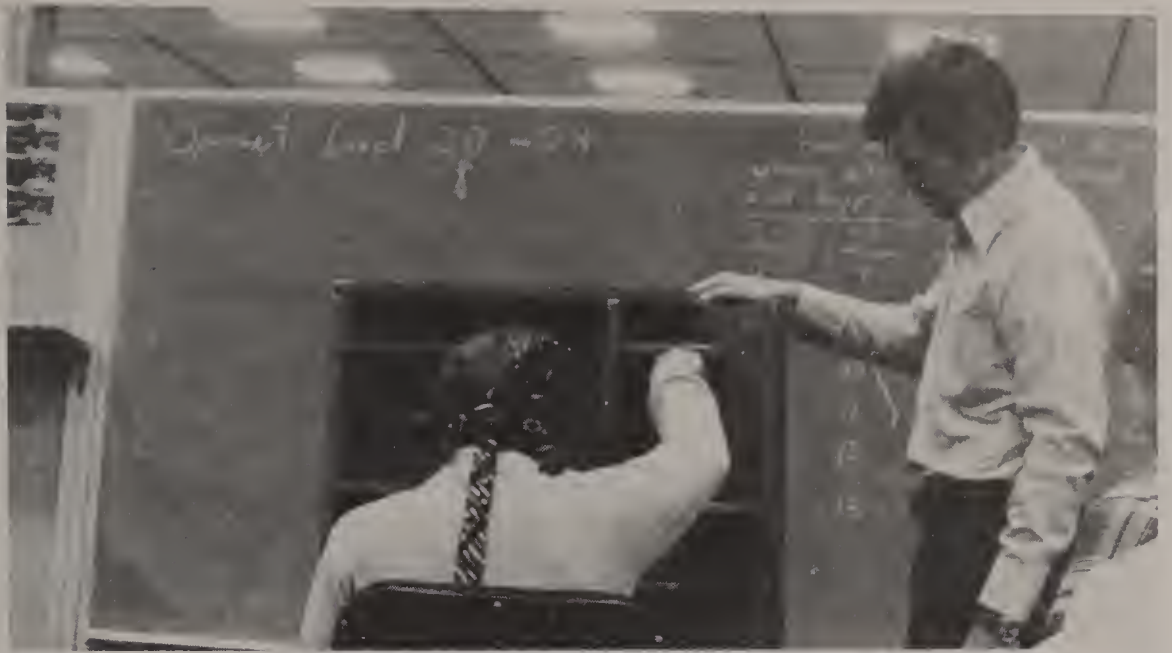

"Tell me I didn't see that."

"At that awkward age?"

"Physics makes me sick!"

"Look at these terrific test grades."

# "Farewell Now, My Friend"

i love you, my friend . . .

. . . you're quite dear to me . . .

... a true friend you are ...

. . . and always will be . . .

... but you're leaving me soon...

...and going your own way...

...perhaps we'll meet...

. . . in the future some day . . .

... you've left me with memories ...

. . . of good times we've had . . .

. . . to treasure forever and make me feel glad . . .

. . . i wish you good luck in all that you do . . .

. . . may all of life's pleasures . . .

. . . come your way too . . .

... farewell now, my  
friend  
and please may you find  
some thoughts of me  
always in your mind.
